

## Do you know exceptional individuals with ideas or initiatives for social change?

UnLtd India is looking for applicants from Mumbai for a unique incubation support programme.

The programme offers a one year long package of:

1. Start up funding
2. Hands-on assistance
3. Connections to peers, experts and leaders

The programme aims to develop leaders and enable them to start up sustainable, high-impact initiatives.

### Basic eligibility criteria

The applicant must be:

1. Over the age of 16
2. Resident in India

The applicants must have an idea or initiative that is:

1. Beneficial for a deprived community or the public at large
2. Entrepreneurial in nature, i.e. resourceful, practical and/or innovative

If the applicants apply on behalf of a registered organisation then:

1. He/she must be a co-founder of the organisation
2. The organisation must not be more than 4 years old as a registered entity
3. The organisation must have a current budget of less than Rs. 10 Lakhs

### Important points to note

1. Applicants could be working part time on their idea/project.
2. Applicants need not have registered organisations.
3. Applicants can apply as individuals or teams (upto three members) can apply.

## Selection Process

The applicants who meet the basic criteria will go through the following steps:

1. Meet an UnLtd India team member by 31<sup>st</sup> July, 2008.
2. Submit an application form by 15<sup>th</sup> August, 2008.
3. Present in front of an interview panel in September 2008.

If you know anyone within your network who meets the above criteria, then please send us their contact details at [pooja.warier@unltdindia.org](mailto:pooja.warier@unltdindia.org) or call us at 9867949306.

Alternatively please circulate this information within your network.

## Incubation Support

The selected applicants will have access to a one year long support package of start up funding and hands on assistance that is made up of the following:

One on One Support	Group Support
Coaching	Peer learning
Guidance & information	Exposure visits
Facilitating relationships	Residential retreats
Mentoring	Training & workshops
Consultancy	Events

### **About UnLtd India**

*UnLtd India exists to be a home for early-stage social entrepreneurs in India. We find, fund and support individuals with ideas, passion and the entrepreneurial skills to enable them to develop as leaders, start up sustainable, high-impact initiatives, and prepare their fledgling organisations for further investment.*

*We do this by providing a unique package of financial and non financial support. Attached is a document outlining our non financial support.*

*We are currently supporting ten incredible individuals and projects in Mumbai. Attached is a brief profile of our 10 investees.*
